Mr. Curtis A. Leak, Secretary,
Newgro National League,
281 West 150th Street,
New York 30, N. Y.

Dear Mr. Leak:

I have your letter of August 2nd and also my secretary's notices that you have telephoned me several times, while I have been out of the city. I am sorry that you have had such a difficult time reaching me.

I will be glad to discuss with you your proposed petition to the major leagues. Unfortunately, I have a series of meetings until Wednesday, when I am committed to various appointments which will keep me out of the city until the last week in August. Would it delay matters too much if I called you during that week?

Very truly yours
